The addition to the Wabeno Logging Museum has had concrete floors for 4 decades. As part of the Museum Restoration and Renovation Project, a wood grain laminate resembling the original museum floors was installed over the re-leveled concrete floors in May 2021.

Example of style of electronic sign which will be constructed to coordinate with Welcome to Wabeno sign

The electronic sign will be installed in front of the museum in October 15, 2021.

**The Friends have hosted the
Wabeno Art and Music Fest since 2015.**

This cultural event has attracted tourists and area residents which provided entertainment as well a boost for local businesses. The pandemic cancelled WAM Fest in 2020.
